BOXER SHOWS HIS QUALITY

R. E. WATKINS' GOOD COLT WINS HIS INITIAL START AT NEW ORLEANS.

Concedes Much Weight to All the Other Starters in Seven-Furlong Race at Fair Grounds and Scores in Game Fashion.

New Orleans, La., January 25.—R. E. Watkins' Boxer, making his initial appearance at the Fair Grounds, and likewise as a three-year-old, figured in a sensational victory when he scored in the feature race over For Fair and Herbert Temple after a thrilling stretch struggle. He was conceding much by the scale in actual weight to the others, but was in forward contention from the start and, aided by good handling got his head in front in the last stride. Industrious circulation before the race of a rumor that he was not keyed up for a bruising race caused his odds to recede. Most of the support went to John W. Schorr's Goldcrest Girl The latter raced disappointingly and McTaggart's effort with her was a poor one.

Cold weather still ruled here and with the ordinary card, resulted in a decreased attendance, so far as local patronage was concerned. The regulars, though, were again out in full force and the Palm Garden action was as keen as formerly.

The track was rough and lumpy with an occasional dry strip. Only two choices scored. Blackie Daw demonstrated that he is a useful colt by an impressive victory in the opener, which engaged juveniles at three and a half furlongs, the longest that the baby racers have been asked to race here. Incidentally it marked the third success that the Innes youngster has scored in as many starts. He was unmindful of the going and showed a good flight of speed for the entire trip. W. G. Yanke's Borel, running in blinkers, had a somewhat easy time of it after disposing of Hugh and accounted for the purse in the second race. Like Blackie Daw, he was favorite. Salon proved a rank disappointment in the third, won by The Gander. He stumbled during the running and suffered from interference as a result of which he pulled up in a bad way. Autumn was neglected in favor of Ella Grane in the fifth race, but when it came to the running Autumn won handily and Ella Grane brought up in the ruck. The Watkins connections had designs on a double during the afternoon with Holton as the medium to help out Boxer, but Marshon, racing in his best form, won by a scant half length over Holton.

Castin & Everest arrived today from Juarez with their racers, including Dew Drop and Luke Van Zandt. The Smith & Farrar consignment is due from El Paso tonight and will have to secure stable room at City Park if it stays here.

Al Muller was an arrival this afternoon from Louisville and will remain for the rest of the meeting.

FRANK O'NEILL TO RIDE IN ENGLAND.

It is more than possible that F. O'Neill, the well-known American rider, will be riding regularly on this side of the channel during the forthcoming season. Indeed, according to the Chantilly correspondent of the "Evening Standard," it only requires the decision of Mr. W. K. Vanderbilt, for whom O'Neill has been riding in France, as to his intentions, and the matter is practically settled.

Providing O'Neill is released from his contract and takes up his residence in this country, he will be seen on the back of Torloisk, Silver Tag and other animals owned by Mr. Edward Hulton, who will have first claim upon his services. O'Neill has established a big reputation in France, where he has ridden with great success; but he is nevertheless pleased with his prospects in England.

O'Neill is, of course, a familiar figure on our chief race courses, where he has ridden with distinction. It may be recalled that he rode Coreyra in the Two Thousand Guineas last year. Lord Londonderry's colt being beaten by a short head by Kennymore, ridden by another continental jockey in George Stern. A fortnight later O'Neill rode Coreyra to victory in the Newmarket Stakes, another great finish between the Guineas' second and Brakespear ending in the short head defeat of the king's colt. Subsequently O'Neill was associated with the Derby favorite, Kennymore, which, however, ran badly at Epsom.

Another good horse frequently ridden by O'Neill was Prince Palatine, on which he won the St. Leger, the Eclipse Stakes, the Jockey Club Stakes and the Ascot Gold Cup, while he also won the Stewards' Cup on Mediant. He was also on the back of As d'Atout when the Marquis de Ganay's colt won the Grand Prix de Paris in 1911. In the same race last summer he rode La Farina, but was beaten by a neck by Sardanapale.

O'Neill is at present staying in Paris, but is returning almost immediately to Normandy. In the event of his settling in England O'Neill will not arrive before March.

Another jockey from the continent who will, according to the same correspondent, ride in this country next season is M. McGee, who scored an unexpected triumph on Mr. H. B. Duryea's Durbar II. in the Derby last May.—Sporting Life of January 12.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., January 25.—F. Ambrose Clark, who each season brings some good jumpers to the races, has made two important purchases from John E. Madden. He selected the three-year-old Vladimir and Huguenot, paying a reported price of $10,000 for the two. Mr. Clark and a party of New Yorkers, accompanied by George Middleton, whose father bred the Brooklyn Handicap winner, The Picket, visited the stables of Jefferson Livingston and Emil Herz at Louisville while in Kentucky. Mr. Clark was greatly interested in Iron Duke, owned by Mr. Madden, and it will be no surprise to see the slashing chestnut son of Ogden and Saratoga Belle, race under the light blue and yellow silks of this turfman next season. Iron Duke, which is a brother to that sterling race horse Fayette, has been pronounced by many excellent judges who watched his trials to be a real top-notcher. He faced the starter once last season in a race at Belmont Park and won with the utmost ease.

The 1915 stable of Gallaher Bros. will be composed of Vogue, Howdy Howdy, Lupin, Clynta, U Steppa, Treacy, Just Y., Ken, and the following two-year-olds:

Bay colt by Out of Reach—Ferrol.
Bay colt by Star Shoot—Balkis.
Bay colt by Hastings—Falomacita.
Bay filly by Ferole—Ida May.
Bay filly by Jack Atkin—Naughty.
Brown colt by Hastings—Miss Simplicity.
Brown filly by Plaudit—Centre Shot.
Brown colt by Trap Rock—The Pet.
Chestnut filly by Peter Quince—Bobbinet.
Chestnut colt by McGee—Richmond Hill.

J. C. Milam today sold to John E. Madden three two-year-old chestnut fillies by Stalwart—Tincup, Stalwart—Variant and Star Shoot—Nell Olin. The last mentioned two are eligibles to the Breeders' Futurity. Mr. Milam will go to New Orleans next week to dispose of Col. Fred. Cuddles, Margaret O. and two other two-year-olds that Tom Scott is racing there for him.

ANOTHER INTERRUPTION AT HAVANA.

Terrific Storm Breaks While Monday's Card Is Being Decided—Racing Suspended Until Thursday.

Havana, Cuba, January 25.—One of those terrific tropical storms that have been occurring here with unusual frequency this winter arose while today's program was being run off at Oriental Park and converted the track into such a condition that the management of the Cuba-American Jockey Club decided not to attempt to race again until Thursday next. The card which had been prepared for tomorrow will stand and will be decided on Thursday.

Today's card was accounted for by two outsiders and three favorites. Jockey J. Connolly distinguished himself by piloting two winners in Wander and Mockler.

Track superintendent Keyes has a big force of men at work digging new ditches for the drainage of the track. When the new soil settles and becomes packed the track will be in good shape, but it is the intention of the management to give it a top dressing of sand which will make it safe and impervious to rain.

The improvement in the attendance and volume of speculation at Oriental Park have been phenomenal. Ninety percent. of the speculation up to date has been by the Cubans, for the reason that the horsemen and followers of the sport have been waiting for the track to get good before making a bet. When track conditions become normal, the betting should be of big volume. The Cubans have taken to the sport in such a way that the management is enthusiastic over the outlook, as they have every right to be.

The horsemen have found a splendid galloping ground at the army grounds at Camp Columbia, where they are permitted to work their horses on the turf. There is one six-furlong straightaway and several half a mile in length. Every horse that came over from the United States, with the exception of Hobnob, is doing splendidly. Hobnob was nerved at one time, injured his foot en route from Charleston and was destroyed. There is not a sick horse on the grounds.

Jockey A. Collins, the apprentice rider that A. G. Blakeley brought south with him was taken down with an attack of appendicitis on Thursday last and removed to one of the local hospitals. The lad is under contract to Capt. W. F. Presgrave and was one of the most promising of the younger riders here.

There are just 307 horses at Oriental Park, 31 of which are two-year-olds. As yet names have not been obtained for several of the latter, but following is a list of the names that have been accepted by the registrar of the Jockey Club:

Bob Redfield, b. g. by Mohawk II.—Toplash.

Most pretentious plans are being mapped out for Oriental Park. President Menocal has requested permission of the management to build in the infield a polo field in order that the officers of the army would have a place to play their matches with the different polo teams that are expected down from the United States next season. No expense will be spared to make the polo field one of the best in the world, as it is the aim of the government to foster this branch of sport among the young officers of the army. These officers, by the way, are wonderful horsemen.

At the conclusion of the race meeting a big automobile meeting will be given at Oriental Park and enough money will be hung up to attract the best drivers in the world. Barney Oldfield, Ralph De Palma and others will be here. There are several Cubans who are pretty good drivers themselves and just now the automobile craze is at its height in Cuba.

RACING IS RESUMED AT JUAREZ.

Track in Good Condition Despite Heavy Snowfall—King Worth Again a Winner.

El Paso, Tex., January 25.—Racing was resumed at Juarez this afternoon following a two-day's suspension resulting from the heavy snowfall of Saturday. Ideal weather conditions prevailed once more. The card was given over to the selling platers and the track was in good condition. It will be fast by tomorrow. There was still an abundance of snow about the racing enclosure

Conning Tower, from the Shilling establishment, had an easy time winning the opening race as an odds-on favorite. Kitty Stanfield, quoted at 10 to 1, led all the way in the second. The third resulted in victory for Tyree, from the stable of Field Bros., after she had been backed from sixes to threes. Ray Egan's King Worth, at present enjoying superb form, went to the post at odds-on for the fourth and made a show of his opposition.

Calcium, a 30 to 1 chance, led in the fifth well into the stretch, then gave way to Mercurium, the favorite. The sixth race enabled Prince Conrad to score his first success of the meeting. He was neglected in the betting.

The stewards today had some eight owners, trainers and jockeys before them questioning them regarding the Chinn-Knebelkamp suspensions. The

GENERAL NEWS NOTES OF THE DAY.

The most powerful German fleet that has ventured to the open sea since the war began was crushingly defeated in the North sea Sunday by the British battle cruiser squadron under the victor of Helgoland, Vice-Admiral Sir David Beatty. Surprised into an action which they tried desperately to avoid, the battle cruisers Derflinger, Seydlitz and Moltke, Germany's finest armored cruiser, the Bleucher,and several light cruisers were hammered in a running fight lasting nearly four hours by Vice-Admiral Beatty's battle cruisers, Tiger, Lion, Princess Royal, New Zealand and Indomitable, assisted by a few light cruisers and destroyers. At 1 p. m., when the battle, which had covered more than 100 miles at such speed as was never before known in naval warfare, had carried the British pursuers to the fringe of the mine fields guarding the German naval bases, the armored cruiser Bleucher, shattered by the great guns of the Lion, was at the bottom of the sea, and two of the three German battle cruisers were badly damaged. The German warships regained the protection of land forts, submarines, and mines in the nick of time, as they would certainly have been destroyed had the battle endured much longer. On the Bleucher alone probably more than 700 lives were lost, and the casualties on the battle cruisers that escaped were likely large. So far only 123 of the Bleucher's complement of 850 officers and men are known to have been rescued. The admiralty indicates that others may have been saved by British destroyers. The destruction of the Bleucher was the hardest blow which has been suffered by the German navy, for that vessel, one of the most satisfactory of its class ever launched, cost $6,750,000. The victory, in every way the most thrilling feat performed by the English navy in modern times, was gained with little cost. The casualties were negligible. No British ship was lost or seriously damaged. The battle from the standpoint of the tonnage and guns of the ships engaged, is the greatest in the history of the world. The tonnage of the principal British ships engaged totals 115,700 tons, that of the German fleet 91,500. The Germans were outclassed in armament as well as tonnage.

The Wilson administration has gone on record in sweeping refutation of the allegation that the United States government has been partial to the allies and unfriendly in its attitude toward Germany and Austria during the present war in Europe. The official repudiation of these intimations took the form of a letter written by Secretary of State William J. Bryan to Senator William J. Stone of Missouri, chairman of the senate committee on foreign relations.

Desperate fighting at close quarters is in progress in Central Poland, where many men have died from cold. On the western battle fields severe encounters continue in Alsace and the Argonne. Neither the French nor the German official statement reports marked successes. Berlin states that in the fighting on the heights north of Sennheim, Alsace, the French were repulsed with heavy losses.

The United States government has begun the negotiation of a new treaty with Costa Rica designed to compensate the latter country for its rights in the interoceanic canal route over which this country is seeking to gain control by a treaty with Nicaragua, now pending before the United States senate.

Great military preparations are being made in Alsace, and it is believed in Switzerland that the Germans are about to begin a violent offensive movement against the French along the front in the Vosges mountains. All the railways in southern Germany were reserved yesterday for the transportation of troops to the frontier.

The Wiener Tageblatt, which is the mouthpiece of the Austrian foreign office, credits to Foreign Minister Burian a statement that he will refuse territorial concessions to Italy and Roumania, even if such course makes inevitable the participation of those states in the war on the side of Great Britain, France and Russia.

The London Daily Chronicle's Lisbon correspondent telegraphs from Badajose the news of a serious uprising in Portugal—not a monarchical uprising, as was stated by the government of the republic on January 20, but a revolt of republican officials, some of whom took part in establishing the republic.

The German government has accepted the alternative offered by the United States in the case of the prize collier KD3, formerly the British collier Farn, captured by the Karlsruhe, and has consented to her internment for the war with her prize crew at San Juan, Porto Rico.

Correspondents of the Vienna papers telegraph from the front that the Russian attempt to outflank the Austrian right wing in southern Bukowina has been frustrated, and that the Russians have been thrown back near Kirlibaba.

Germany has protested to the state department through her ambassador, Count von Bernstorff, against shipments of American hydroplanes to the European belligerents, on the ground that such aircraft are war vessels.

According to Vienna reports the Russian assaults on Przemsyl have practically ceased. There are said to be 5,000 Russian prisoners in the frotress.

A German military newspaper announces that a new naval gun of 16-inch caliber and with a range of twenty-five miles, has been created.

Development of a new Russian offensive, menacing Lodz, and a brilliant victory over the Germans in southern Poland, was announced at Petrograd.

The Germans have resumed a strong offensive on their front near the sea. The allies have been driven from St. George's, southeast of Nieuport.

NOTES OF THE TURF.

J. O. Keene has left Juarez for Kentucky.

W. W. Darden was among the recent arrivals at New Orleans.

Four hundred and ninety stallions are represented in the 1914 registration applications filed with the Registry Office of the Jockey Club.

The Ontario Provincial Treasury benefited to the extent of $42,000 last year in licenses from six race courses in that province of Canada, three in Toronto and three outside.

Monte Preston, formerly a successful jockey, has been a visitor at Juarez recently. In partnership with his brother he is the owner of a ranch of over 600 acres of grazing land near Boaquilas, about 230 miles east of El Paso. Preston saved his money earned in the saddle and invested part of it in real estate in Big Springs and Fort Worth, Texas. He is a native of Fort Worth, and began his riding career in the employ of Hart Newman, for whom he rode five years.

If all goes well with him, A. S. Cochran's fine Irish-bred steeplechaser Postboy, is to have a try for this year's Liverpool Grand National Steeplechase. After a successful trial in this country two years ago, he was sent back to Ireland and there last year won the only two races in which he was started. Besides being in this year's Grand National, he is also nominated to the $7,500 Lancashire Steeplechase at Manchester April 5. The Grand National will be run March 26. The American-bred Alfred Noble is also in both events.

At the request of a member of the New South Wales Legislative Assembly the Chief Sercetary recently furnished some interesting information regarding the number of race courses in New South Wales. There are eleven licensed race courses within forty miles of Sydney, and during the current year 507 licenses for horse racing, pony racing, and trotting have been issued in respect of 387 race courses outside the forty miles limit of Sydney. The revenue derived from the race courses in the way of license fees for the year totals $6,000.
